East Grinstead is within easy reach of the M25 and M23. Situated between London and the South coast, it has an excellent half-hourly rail service to London Victoria (55 minutes), and is 10 miles from Gatwick airport.

Cantelupe Mews is situated in the centre of East Grinstead, a brief walk from a thriving high street. The town has a good mixture of cafes, shops and restaurants.

Parking is not available at Cantelupe Mews, but there are many inexpensive pay car parks nearby. Park at the far end of Vicarage car park and walk through the cut-through to arrive opposite our office.
